

EZ Way, Inc.
*"Your Total Patient
 Handling Solution"*

Spacer Fabric

A three-layer fabric that releases moisture, allows air flow, and dissipates heat. It provides four-way stretch, naturally ventilating properties that take moisture away from the skin, and soft, cushioning characteristics to reduce force.

Shown in studies to be the most effective in reducing peak pressures, and more likely to reduce the risk of pressure ulcer development if left under the patient.*

Spacer Fabric
White Hourglass w/ Head Support

SLING SIZES

Hourglass Slings

- 500326- Small Spacer Mesh Hourglass w/Head Support
- 500327- Medium Spacer Mesh Hourglass w/Head Support
- 500328- Large Spacer Mesh Hourglass w/Head Support
- 500329- X-Large Spacer Mesh Hourglass w/Head Support
- 500330- Sling Black Spacer Mesh Hourglass Sm w/S
- 500331- Sling Black Spacer Mesh Hourglass Med W/
- 500332- Sling Black Spacer Mesh Hourglass Lg w/S
- 500333- Sling Black Spacer Mesh Hourglass X-Lg w

Turning & Repositioning Sheets

- 500324 - Spacer Mesh Turning/Repo Sheet for Low Air Loss Beds & Skin integrity
- 500325 - Black Spacer Mesh Turning/Repo Sheet for Low Air Loss Beds & Skin integrity

Available in Black & White
